

**INSTITUTE OF OCEANOLOGY
POLISH ACADEMY OF SCIENCES, SOPOT**

Leading unit: Institute of Oceanology Polish Academy of Sciences

Position: Laboratory technician

Requirements:

- MSc/PhD in biology with specialization in molecular ecology/microbiology/environmental genomics/paleogenomics
- Strong experience in molecular techniques (DNA extraction, PCR, High-throughput sequencing)
- Strong interest in bioinformatic and biostatistics tools for analysis of DNA sequence data
- High motivation for scientific work
- Very good English written and verbal communication skills
- Experience in field research and research cruises will be appreciated

Tasks description:

1. Preparation and conducting fieldwork, participation in research cruises in the Nordic Seas and Arctic
2. Collecting samples for environmental DNA metabarcoding
3. Environmental DNA extraction, PCR amplification, preparation of metabarcoding libraries for high-throughput sequencing
4. Conducting tests on new products or experimental processes.
5. Ordering and organizing supplies

Funding scheme: project HORIZON-RIA (HORIZON-CL6-2021-BIODIV-01) „Marine biodiversity assessment and prediction across spatial, temporal, and human scales”; project ID 101059915.

Deadline for submission: 21th March 2024

Applying form: email to Joanna Pawłowska (pawlowska@iopan.pl) and copy to rekrecja@iopan.pl

Terms & conditions:

1 500 EUR per month throughout the 10 months. Start date: April 2024.

Other informations:

To apply, please send an email to Joanna Pawłowska (pawlowska@iopan.pl) (cc to: rekrecja@iopan.pl)

Required documents:

1. Motivation letter
2. Detailed CV (including a brief description of research interests, previous employments, research achievements, and publication list)
3. Copy of Master's diploma
4. Contact details of at least two references (letters of recommendation are optional)
5. Consent clause*

The candidates may be requested additional information or invited to an interview with representatives of the scholarship commission.

* Please attach a signed document with the following consent clause:

I hereby consent to have my personal data processed by the Institute of Oceanology Polish Academy of Science pursuant to Article 6 paragraph 1 letter a of the General Data Protection Regulation (GDPR), for the purpose of carrying out a recruitment process for the Laboratory technician position I also declare that I have read the information on the processing of personal data provided by the Institute in accordance with Article 13 GDPR.
