

Schedule of the Marine Acoustics Laboratory seminars –2025/2026

	<i>Date</i>	<i>Presentation title</i>	<i>Speaker</i>	<i>Venue</i>
1	16.10.2025	Backscattering models in fishery acoustics	Aleksander Żytko	12.00; Large Seminar Room, IO PAS
2	30.10.2025	Climate-driven variability of underwater noise propagation in Hornsund fjord, Svalbard	Pavani Vithana	12.00; Large Seminar Room, IO PAS
3	06.11.2025	Hydroacoustic part of AREX 2025 – preliminary results	Natalia Gorska	12.00; Large Seminar Room, IO PAS
5	20.11.2025	Ecology and fragility of historic shipwrecks ecosystems. / Aspekty ekologiczne i wrażliwość ekosystemów historycznych wraków statków.	Patrycja Nowakowska	12.00; Large Seminar Room, IO PAS
7	04.12.2025	Measurements and predictions of transmission of metrics of high-intensity noise emitted by pile driving – a case study.	Zygmunt Klusek	12.00; Large Seminar Room, IO PAS
9	18.12.2025	Anthropogenic noise modeling in the area of the Port of Gdansk / Modelowanie hałasu antropogenicznego w rejonie Portu Gdańsk	Miłosz Grabowski	12.00; Large Seminar Room, IO PAS
10	08.01.2026	Data-driven insights into marine soundscape	Agata Dragan-Górska	12.00; Large Seminar Room, IO PAS
