

**INFORMATION ABOUT CANCELLATION OF THE PROCEDURE AND ABOUT NOT
AWARDING A CONTRACT**

Re. the procedure for the delivery of a CTD probe with turbidity, chlorophyll a, dissolved organic matter and backscatter sensors – III for the Institute of Oceanology of the Polish Academy of Sciences (procedure no. IO/ZN/15/2025)

- I. The Contracting Authority – the Institute of Oceanology of the Polish Academy of Sciences – informs that in accordance with Chapter VII, section 31 of the Contract Notice in the area of science the procedure for **the delivery of a CTD probe with turbidity, chlorophyll a, dissolved organic matter and backscatter sensors – III** for the Institute of Oceanology of the Polish Academy of Sciences (procedure no. IO/ZN/15/2025) has been cancelled.

Justification

On May 6th, 2025, Contractor **RBR Ltd.**, 359 Terry Fox Drive, Ottawa, Ontario, K2K 2E7, Canada, informed the Contracting Authority that he refuses to conclude the contract. As a consequence, the Contracting Authority decided to cancel the procedure pursuant to Chapter VII, section 31 of the Contract Notice, which states that if the Contractor whose tender has been selected as the most advantageous one, refuses to conclude the contract, the Contracting Authority may re-examine and evaluate the tenders of other Contractors and select the most advantageous tender out of other bids or cancel the procedure.

The Contracting Authority did not decide to re-examine and evaluate other tenders, as the offer of Contractor **RBR Ltd.** was the only bid submitted in the proceedings.

- II. The Institute of Oceanology of the Polish Academy of Sciences informs that, due to cancellation of the procedure, the contract in this procedure was not awarded.
