Re. the procedure for the delivery of an Acoustic Doppler Current Profiler for the Institute of Oceanology of the Polish Academy of Sciences (procedure no. IO/ZO/4/2026)

- I. The Contracting Authority – the Institute of Oceanology of the Polish Academy of Sciences – pursuant to Chapter VII, section 9 of the Quotation Request Notice, hereby modifies the content of the Quotation Request Notice by extending the deadline for submitting bids to **July 2nd, 2026, 10:00:00 am** (Central European Summer Time - CEST), thereby making a corresponding amendment to Chapter VII, section 1 of the Quotation Request Notice.
- II. At the same time, due to the change of the deadline for submitting bids, the time frame during which Contractors must maintain their bids is also amended. Consequently, Chapter VII, section 11 of the Quotation Request Notice is amended to read as follows:

„The Contractor is bound by the bid for a period of 30 days, which begins with the deadline for submission of bids, i.e. until **July 31st, 2026.**”.
